

# Next Phase of our Community Air Protection (AB617) New Portable Lab Air Monitoring Campaign Update

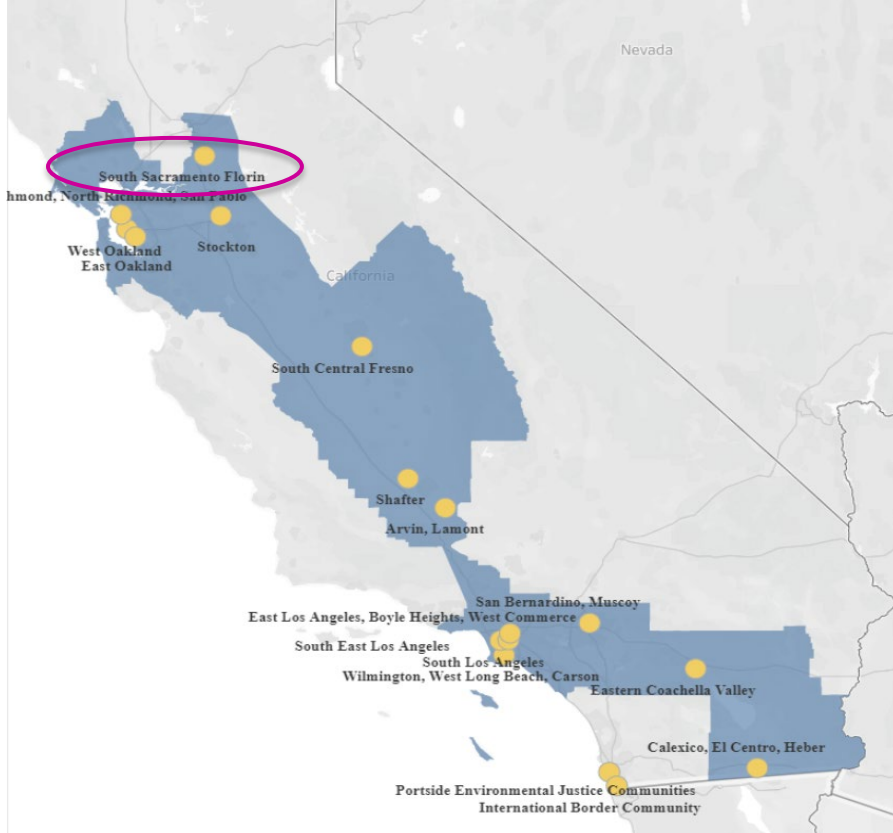

August 28, 2025

**Levi Ford**  
Program Supervisor – Air Monitoring Section

SACRAMENTO METROPOLITAN

# Assembly Bill 617 (AB 617) – Community Air Protection

- ▶ Focus on community-level issues
- ▶ Bring strategies and funding to reduce localized emissions
- ▶ **19 communities** were selected to develop plans

## AB 617 ELEMENTS • Focus on Community Action

Community  
emissions  
reduction  
programs

Accelerated  
retrofit of  
pollution  
controls on  
industrial facilities

Community-level  
air quality  
monitoring

Enhanced  
emissions  
reporting

Increased  
penalty  
provisions

Grants  
to local  
community  
groups

# Community Air Monitoring Plan

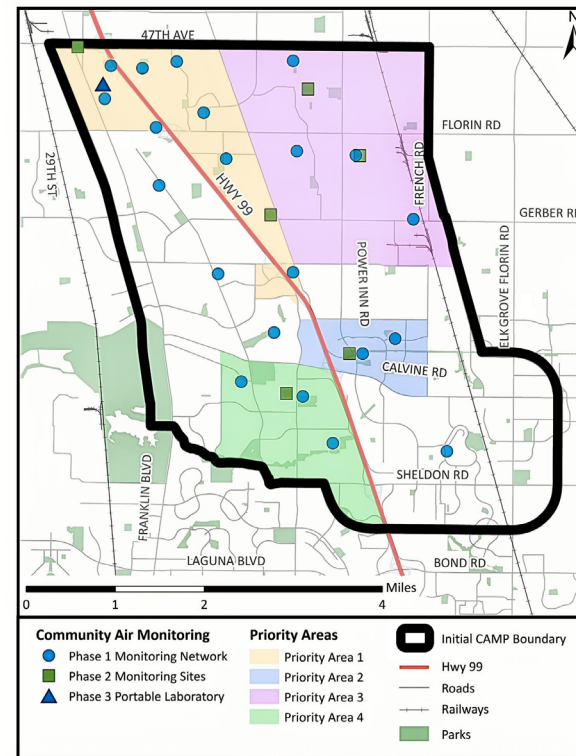

## South-Sacramento – Florin Community Air Monitoring Plan

In Partnership with:  
*The South Sacramento – Florin Steering Committee*

Prepared by:  
Sacramento Metropolitan Air Quality Management District  
Sacramento, California  
July 1, 2020

# Monitoring Implementation

## Phase I

July 2019 - Present

### Particle Sensors (22)

## Phase II

August 2020 – November 2021

### Stand Alone Sites (6)

## Phase III

April 2023 – March 2025

### Portable Lab (1)

# Fern Bacon Middle School

Portable Lab Debut: April 29, 2023

- Particulate Matter (PM<sub>2.5</sub> and PM<sub>10</sub>)
- Black carbon
- Air toxics
- Ozone
- Nitrogen oxides
- Meteorological conditions

# Transition to CAMP & CERP Community (July 2024)

- Expanded community boundaries
- CSC discussed and suggested the relocation of the portable lab

# New Portable Laboratory Location

North of Sac Executive Airport near the Sac City Corp Yard

# Next Steps

---

- Contract with City of Sacramento
- Anticipated start date: Winter 2025
- Monitor for approximately 1 year
  - As resources are available
- Share data with the community

# Questions?
